

## Inpsire Maths Curriculum Overview

Year 1	Year 2	Year3	Year 4	Year 5	Year 6 (From September 2017)
Numbers to 10	Numbers to 1000	Numbers to 10 000	Whole Numbers	Fractions	Algebra
Number Bonds	Addition and Subtraction	Addition of Numbers	Tables and Line Graphs	Area of a triangle	Angles in Shapes and
Addition within 10	within 1000	within 10 000	Fractions	Ratio	Diagrams
Subtraction within 10	Addition and Subtraction	Subtraction of Numbers	Angles	Decimals	Nets
Shapes and Patterns	Multiplication and	within 10 000	Perpendicular and Parallel	Measurements	Fractions
Ordinal numbers	Division	Solving Word Problems:	Lines	Mean (average)	Ratio
Numbers to 20	Multiplying by 2 and 3	Addition and Subtraction	Squares and Rectangles	Percentage	Percentage
Addition and Subtraction	Multiplying by 4, 5 and 10	Multiplying by 6, 7, 8 and	Decimals	Angles	Speed
within 20	Multiplication and	9	Decimals	Properties of Triangles	Circles
Length	Division	Multiplication	Time	and 4-sided Shapes	Pie Charts
Mass	Length	Division	Area and Perimeter	Geometrical Construction	Area and Perimeter
Picture graphs	Mass	Solving Word Problems 2:	Symmetry	Volume of Cubes and	Volume of Solids and
Numbers to 40	Mental Calculations	Multiplication and	Tessellations	Cuboids	Liquids
Mental calculations	Money	Division			
Multiplication	Fractions	Mental Calculations			
Division	Time	Money			
Time	Volume	Length, Mass and Volume			
Numbers to 100	Graphs	Solving Word Problems:			
Money	Lines and Surfaces	Length, Mass and Volume			
	Shapes and Patterns	Bar Graphs			
		Fractions			

		Time Angles Perpendicular and Parallel Lines Area and Perimeter
