

Dear Parent/Carer,

Easter homework

Over the Easter holidays, we would like the children to continue using their SATS assessment books. We are also sending home a variety of work that has been covered in class to allow the children to revise. We would like the children to continue reading every day and if you are reading with them, please ask the children questions to develop their comprehension skills.

Attendance

After the Easter holidays, we will be completing more assessments in the lead up to the SATS tests. The children's attendance during this time is vital. We have noticed a drop in attendance across Year 2 this term and we would like for you to ensure that children are only kept off school if absolutely necessary.

SATS Tests

All children will be sitting the SATS tests on the week beginning Monday 22nd May. The children have been working very hard and we are sure that their results will reflect this. They will sit the tests in groups and the results will be used to inform our teacher assessments.

If you have any questions regarding the SATS, please do not hesitate to talk to us at the end of the day or make an appointment with us through the school office.

We hope that you have a restful break,

Kimberleigh & Maria
