

YEAR 2 SUMMER NEWSLETTER

Dear Parents/Carers,

We hope that you have had delightful Easter break!

Our topics for this term are 'Explorers' in History and 'Which way shall I go?' in Geography. We will be developing our map skills and creating our own route to a different country. In History, we will be studying famous explorers using eyewitness accounts.

In Science, we will be investigating the uses of different materials. We will be visiting the Science Museum on Thursday 8th June to develop our understanding of the topic through an exciting workshop. If parents wish to volunteer to help out on the trip, please see us ASAP and we will let you know.

As you are aware the children will be completing their SATs assessments in the week beginning 22nd May. We hope that the materials we have sent home have been useful and would ask that you continue using them and supporting your child with daily reading, spelling and homework. We would also like to reinforce the importance of attendance over the next half term as we will be covering and revising topics that will arise in the tests.

P.E. will now be taught on a Friday morning by a dance instructor. Please ensure that your child has a white top and black shorts in school by Friday 21st April.

Key dates:

Thursday 20th April- School Disco

Friday 21st April- First dance lesson (P.E kits needed)

Monday 1st May- Bank holiday (no school)

Monday 22nd May- SATS week

Thursday 8th June- Science Museum trip

If you have any further questions please do not hesitate to see us. We are in the playground at the end of the day or you can arrange an appointment through the school office.

Thank you for your continued support,

Kim and Maria.
