- School starts back in **September on Tuesday 4th September**
- Half term week from **Mon 22nd-Friday 26th October**
- Last day of Autumn term **Friday 21st December**

## News and Events

The last two weeks of school has not seen so many classes going out and about, but we have had a few visitors. The Yr6 have been improving their cycling skills with the Bikeability Scheme, getting them road worthy for secondary school in September. We also had the Peddle Market providing our school community with the opportunity to purchase good second hand bikes.

On Tuesday evening our Yr 6 children performed Joseph and the Amazing Technicolour Dreamcoat for their parents, which they loved. The rest of the school got to watch it during the day and we were bowled over by the fantastic singing and acting. Well done to all the Yr 6 children who put so much effort into the production. Many thanks to all the staff and friends of staff who helped make the performance such a success. We will be sad to see our lovely Yr 6 children leave us, but we know that they are moving on to the next part of their education with confidence and good memories.

We would like to thank all the support we have had from our school community this year. Thank you to all the parents and carers who have helped out, by reading with children, going on trips, helping out in class—you are a key part of our success. We hope everyone has a relaxing and peaceful summer holiday.

## Attendance Winners

### Key Stage 1 & EYFS

Einstein Class, Curie Class and Celsius are winners with 98%

### Key Stage 2

Banneker Class, Jemison Class and Faraday Class are all winners with 99%

<b>Fahrenheit Class</b>	Lilly Thomas	Bethany Orogun
<b>Einstein Class</b>	Amelia Sheri	Lexy Howlett
<b>Curie Class</b>	Naaiya Patel	Sonny Monk
<b>Armstrong Class</b>	Rayansh Gurung	Tommy Puddefoot

## Reminders for September:

- All children need to be in school uniform and KS2 children need to bring a PE kit; please see website
- From September we will no longer be able to sign passport applications as the high number of requests for this service has become unmanageable and added to an already heavy workload

**Developing Life Long Learners**
