Issue 9

Dates for your diary

- Parent Gym taster Tues 12th February @ 9am
- Parent Maths Workshop Wednesday 13th February
- The last day of school before half term will be Friday 15th February

News and Events

Last week Yr 2 made a visit to the local Mandir as part of their RE learning around Hinduism.

Parent Gym will be starting after half term for ten weeks. We all know that being a parent is the hardest job you will ever do and one that you don't really ever get trained for. **Parent Gym** is a great opportunity to hone your skills as a parent in a friendly and supportive group setting led by Annmarie our Family Support Worker. If you are keen to find out more than please come along to the taster session on **Tuesday 12th February** in the Junior Hall to see what you think.

It looks like we could be getting snow in the coming weeks and months. In the event of snow we will put all information about school closures on our website and the school Twitter feed. We have also signed up to Open Check, a service for parents which enables you to log on or phone to check whether your school is open or not. We shall send more information about Open Check via Parent Mail.

Golden Awards

Banneker Class	Dolari Muntean	Vanessa Racz
Darwin Class	Sherifa tassebedo	Levers Dumitru
Sharman Class	Elias Bartali	Daniela Florea
Jemison Class	Angliuta Muntean	Princess Orulana

Attendance Winners

Key Stage 1 & EYFS

Attenborough Class
Einstein Class 98%

Key Stage 2

Banneker Class 99%

Did you know? Children who regularly miss out on good quality sleep perform the same as school children who are two years younger than them. A consistent bed-time will help.

Developing Life Long Learners
