Attendance

Well done to Darwin Class with 100% attendance last week. KS1 winners were Attenborough Class with 99%.

English Language Classes

Look out for the Summer Term **FREE ESOL** classes - that's an English course for our bilingual parents and carers run by Margaret and Sita. It's a great chance for you to improve your English and make new friends in school. Classes run every Tuesday morning (9 - 10.30 am) for 5 weeks starting on 13th June to 11th July.

These classes are very popular and there are only 10 places available so fill in a form at the office if you are interested or see Margaret or Sita.

Fidget Spinners

There are still children bringing Fidget Spinners to school even though we have told children they are toys and not for use in school. If any child is found with one they will be confiscated and kept in the School Office until collected by their parent.

Golden Awards

Armstrong	Jadesola Aiyekitan	Scarlett Hagos
Curie	Yamin Ali	Ruby Dean
Einstein	Gurleen Dhillon	Kavori Watson

Sharman	Yani Roland Tsamou	Alfie Humphreys
Darwin	The Whole Class For SATs	Kamana Rayamjhi
Banneker	The Whole Class For SATs	Habeeb Akeusola

Share Aware Initiative from the NSPCC

The NSPCC has developed a new programme called Share Aware to support parents in the difficult job of keeping their child safe online.

Share Aware, from NSPCC and O2, gives parents all the tools they need to have regular and informed conversations with their child about staying safe online. Under 20% of parents discuss online safety regularly with their children but we want to get every family talking about their child's life online, just as they would their day at school.

Parents can sign up to the [Icebreaker email series](#) and become an expert in their child's online world in 6 weeks, follow the NSPCC's [four simple steps](#) to keeping kids safe online, watch the film '[Safety advice from a 10 year old](#)' or visit [Net Aware](#) – our guide to your child's social networks apps and games.

The internet is a great place for kids to be, being Share Aware makes it safer.
