Attendance

Congratulations to our three KS2 classes who achieved 100% attendance last week: Banneker, Darwin and Newton. KS1 classes Celsius and Fahrenheit came a close second with 99%. Well done children and parents for great attendance!

Panto Fun

The children were treated to a fun performance of Aladdin by the visiting theatre group Caboodle. Many thanks to the Friends Of Gallions who paid for this festive treat.

Natural History Trip

Last week our Yr 6 children had a day out at the Natural History Museum in Kensington. The children visited the museum to take further their learning about evolution.

Christmas Fayre

The Friends of Gallions Christmas Fayre is taking place today straight after school. Many thanks for all the generous contributions we've received. We hope you can all join us to raise money for the children.

Festival Of Learning

Next Friday (9/12/16) between 2 to 3pm parents and carers are invited to our Festival of Learning. Parents and carers will be able to visit their children's class and join in with the learning as well as look at the work they've been doing this term. This will be a relaxed and informal session where you can share some quality time with your child in their class.

Lines of Communication

Can we remind parents and carers that if they have any concerns regarding the school or their child, they need to speak to their child's teacher or a member of the school leadership team. It is not appropriate or helpful to air your concerns on social media and therefore put it in the public domain. We would appreciate that all parents and carers respect the school and its staff and trust us to deal with any concerns appropriately.
